

Hose specifications

The range of hoses offered by ECODORA for its hose reels is in line with company's quality standards and guarantees excellent performance in the applications with the pressures specified in the catalogue. For conditions different from those recommended, ECODORA is available to appraise every aspect of the application context (compatibility of the materials used with the fluid, temperature of use, working pressure, etc.) together with the customer for identifying the right hose for each specific case.

The hoses mounted on the hose reels must support the max working pressure indicated on the label of each hose reels.
